WELCOME (BACK) TO CONCORDIA

This Newsletter has been developed to inform you of news, and cultural and social activities of particular interest to international students. It is published three times each year: in September, December and March. If you have any submissions or comments, please feel free to leave them at the Dean of Students Office on either campus. You are encouraged to read the Newsletter and the International Student Handbook and to participate in all activities organized by the Dean of Students Office, the international student associations (listed below), and CUSA. Only by becoming involved, by asking questions, and by sharing your experience will you realize your education in Canada to the fullest.

The International Student Adviser, Elizabeth Morey, is available to assist you with problems you may encounter. Go to her with any difficulties as soon as they arise. She is willing to discuss possible solutions, give suggestions and make referrals when needed. For further information she may be reached in the Dean of Students Office, SGW, M-106, telephone: 879-2840, and Loyola, AD-129, telephone: 482-0320, local 346, Wednesdays only from 10:00 a.m. until 4:00 p.m.

The International/Ethnic Associations Council (I/EAC) welcomes you to Concordia University. There are over 1400 international students at the University and to create a good and lively environment for these students there are different offices and organizations.

I/EAC consists of 17 student associations from various regions of the world. Our main objective is to help international students and to introduce various cultures to Canadians as well as to those students from other countries. Following are a list of the student associations. If you have any problem please call us at 879-4391. We are located at 2020 Mackay Street.

CONCORDIA UNIVERSITY STUDENTS' ASSOCIATION(CUSA)

CUSA came into being in March of 1979. It is a self-governing, student-run body which is composed of a Board of Directors and its committees, two co-presidents, a judiciary and several executives. It not only serves the interest of students by providing them with representatives who take up their cause, but, by ensuring that there are student representatives on all University bodies. It also has many student associations, such as the departmental associations (e.g., History, Commerce, Fine Arts, Engineering, et al), as well as the Amateur Debating Society and the Concordia Christian Fellowship Association.

Although international students come under the aegis of the Dean of Students Office, CUSA has assisted these students by, among

other things, organizing the march and joining in their fight to combat differential fees; helping students to deal with culture shock and to adjust to the red-tape of the University and by contributing to the Fonds de Dépannage.

Being a student run organization, CUSA is always in need of students who are willing to help other fellows students. If we can help you, or if you can help us to help you and others, please contact us at either the CUSA office at Loyola, 482-0320, 6931 Sherbrooke Street West, or SGW campus, Hall Building, H637, 879-4500.

FOR ALL NEW INTERNATIONAL STUDENTS Please watch for Orientation 1983 details, or call the International Student Advisory Office at 879-2840.

CHAPLAINCY

SGW Campus has PASTORAL SERVICES available for the students and staff of the University. This means that six chaplains, two of them full-time, are working in the area of Campus Ministry on campus. Consequently, it is possible for interested persons to participate in regular religious services, Bible study, discussions, etc. Also pastoral counselling is readily available to those wanting to talk about the profound issues of life and death, or those facing crisis situations.

In most cases the chaplains will be able not only to advise people who are planning to get married, but also to perform this pastoral act. Special attention is always given to so-called mixed marriages.

- for the individuals of the Moslim faith a space is provided for the ZUHR (as well as other) prayers.

- A rabbi is on campus regularly and he organizes observations of most major Jewish festivals.

- Pastoral visitation can be arranged for persons who are hospitalized and/or bedridden.

- Special events and programmes are organized dealing with social justice, spiritual concerns, cults, etc.

"The God Squad", as the chaplains have sometimes been called, is concerned about the quality of life on campus and is willing to do its best to make it more conducive to learning and a more comfortable environment for working.

The offices are located in the Hall Building, H-333, telephone: 879-4551.

The Chaplains are: Fran Polan, Barry Jones, John Beach, Peter Macaskill, Israel Tennenhouse and Matti Terho.

WHAT IS BELMORE HOUSE?

It is an old house with a kitchen (where you can make your lunch), a dining room (where you can eat it), a basement lounge (with quiet corners for reading) and front room (for puttering and relaxing). It is a student centre on campus where you can meet others, have a coffee and use the phone. It is the Loyola Campus Ministry where the chaplains, Bob Nagy and Anne Shore, can be contacted or met and the secretary, Lynne Keane, is always cheerful and smiling.

Belmore House, 3500 Belmore Street, is on the edge of the campus behind the Campus Centre. It is open weekdays from 9:00 a.m. to 5:00 p.m., and can be reached by phoning 484-4094 or 482-0320, local 243.

What is Belmore About?

That is hard to put in a nutshell! It is concerned with living and discovering the good life, of being responsible to oneself and to others, and with celebrating life in its ups and downs, joys and failures.

Belmore is first of all oriented to the University community of students, faculty and staff. It also reaches beyond the campus to see ourselves in relation to others. We are Montréalers, Québécois, and Canadians as well and have responsibilities that go beyond our borders. We are also children of God, learning about life from all the great traditions, and open to responding in the most suitable way.

GENERAL NOTES ABOUT INTERNATIONAL INSURANCE

1983-1984

International Students returning in the Fall term, 1983, will be automatically insured for health and accident coverage, retroactive to August 15, 1983.

Pre-registered students may pick up their new 1983-84 card after September 1, in either of the Dean of Students offices - Loyola AD 129 or Annex M, SGW.

Students registering in person may pick up a new insurance card during the registration process.

Students requiring medical attention between August 16 and September 1, and who do not have their card (e.g., pre-registration), must get in touch with Ann Kerby at 482-0320, local 358. Upon verification of enrolment, assurances will be given to the Health Services that the student will be covered retroactive to August 15, 1983, and if possible, cards issued immediately. Our problem is controlling the cards during registration week and avoiding duplicate pick-ups.

Duplicate cards for married students (same policy #) may be picked up in the same manner as noted above. Married student cards are coded M after the policy #.

All 1982-83 policies expire on August 15, 1983.

Students who appear at health services without a new card should be encouraged to pick up their new card as soon as possible in the Dean of Students Offices.

Premiums:	Single	\$250.00 (approximately)
	Family	\$498.00 (approximately)

Upon assurance that the student will be leaving Concordia at the end of December, a pro-rata fee will be given for partial year coverage e.g., graduating students. Please refer these students to the Dean of Students Offices.

Students who require exemption from the policy e.g., coverage at McGill University, University of Montréal, diplomatic status, newly landed immigrants, must see Ann Kerby or Douglas Insley before any refund can be issued. No refund is issued to a student who has made a claim against the policy.

Lost cards may be replaced at the Dean of Students Offices.

Students enrolled with Continuing Education pick up their cards at Victoria School. Please see Ann Lynch or Louise Wing in Gwenn Cherrier's office, 1822 de Maisonneuve W.

LACOLLE CENTRE FOR EDUCATIONAL INNOVATION

The Lacolle Centre for Educational Innovation is a one hundred and fifty year old farmhouse, occupying twenty acres of lawn and woodlot about forty miles south of Montréal. It accommodates twenty-four people comfortably with four bedrooms, three meeting rooms, a fully equipped kitchen and three bathrooms. It was established by the Loyola Campus of Concordia University in 1971, with the stated purpose of extending the University experience by replacing some of the usual restrictions of a classroom setting with an informal shared community. This environment is designed to promote the development and understanding of relationships among people, as well as to provide an opportunity to explore new and creative approaches to learning. The primary goal of the Centre is to insure that its users will, by working collaboratively at Lacolle, discover ways to enhance their educational pursuits on the University campus.

It is available for use to anyone within the Concordia community wishing to enrich classroom education, develop effective work groups or conduct organizational meetings. Potential programmes at the Centre are limited only by the imagination and resourcefulness of its users. Professional assistance is available to assist in turning ideas into reality. We can help you in any aspect of an intended programme.

For inexpensive furniture, shop on Ontario east of Amherst Street. We suggest you try and buy merchandise on sale or shop in department store basements.

LAUNDROMATS These are located in every area of the City. It will cost approximately \$3.00 every week.

FOOD Restaurants can be expensive. There are, however, many moderately priced ones. If you cook for yourself, supermarkets are efficient and quick, although they may be more expensive than shopping around. The dépanneur or corner store is open longer hours, sells wine and beer but can be more expensive. Open air markets provide an interest and somewhat less expensive variety of foods. Certain shopping areas, especially on St. Laurent Blvd. are fascinating and offer every ingredient you will need.
